Twiggy, the famous actress and model, has added some more style to the Pink Rose Valentine's Appeal by helping to design a special e-card for breast cancer research.

Other glamorous celebrities including Olivia Newton John, Joan Collins and Rebecca Mader have also created Valentine's Cards that you can download and send to your lover, single best friend or even your mum to show them just how much you care.

Non-celebrity versions are also available to buy. Cards cost £2 each and are available to purchase at: www.givealittlelove.com. A percentage from each card sale will be donated to the Pink Rose Valentine's Appeal which raises money for vital breast cancer research in the UK. Cards are available to order now.
